

Minutes of Meeting: Swimlane Review, Progress Consultation, and Scrum/Sprint Initialization

Date: September 22, 2026

Time: 10:00 AM – 11:30 AM

Location: Online

Presiding: Team

Attendees: Rei Khalil S. Galido, Joshmar Clavero, Joshua Concepcion, Roman Rico Albania

1. Diagrammatic Modeling & Progress Consultation

- **Swimlane Activity Diagrams:** The team conducted a thorough review of the current swimlane activity diagrams to verify process workflows and persona interactions.
- **Progress Review:** A consultation was held with the professor to present the project's current status and gather feedback on upcoming milestones.

2. Deliverables & Development Methodology

- **Finals Deliverables Finalization:** Work focused on executing and completing the remaining required documentation and technical deliverables for the Finals submission.
- **Agile Implementation:** The team officially initiated sprint cycles and regular Scrum meetings to manage feature development and track daily task progression.

Action Items & Deliverables

Task	Assigned To
