

Minutes of Meeting: Prototype Review, Finals Progress Alignment, and UI Layout Refinements

Date: September 11, 2026

Time: 10:00 AM – 11:30 AM

Location: Room 206

Presiding: Team

Attendees: Rei Khalil S. Galido, Joshmar Clavero, Joshua Concepcion, Roman Rico Albania

1. Prototype Evaluation & Deployment Strategy

- **Prototype Review:** The team conducted a thorough review of the current interactive prototypes to prepare for upcoming Finals demonstrations.
- **Branding & Deployment:** It was agreed to integrate the official NOVUS logo into the platform interface and prepare the website for live deployment.

2. Writer Dashboard UI & Layout Adjustments

- **Briefing Module Position:** The UI layout for the Writer view must be updated so that content briefings are displayed on the side rather than at the top of the interface.
- **Discussion Module Position:** The discussion thread section for writers must also be relocated to the side layout instead of being positioned at the bottom.

3. Faculty Consultation & Progress Check

- **Finals Progress Review:** The team consulted with the professor to report on current milestone progress and gather directional feedback for the remaining deliverables.
